## LOAN APPLICANT INFORMATION

### Useful Web Site

To find more information on federal student aid, access FAFSA on the Web, obtain a PIN (a number needed to apply for federal student aid), access The Student Guide and other federal student aid publications (in English and Spanish), find federal government resources for education, look up the status of your federal student loan, and obtain other useful information ..... <http://www.studentaid.ed.gov/>

### How do I get a loan?

You apply using the FAFSA or Renewal FAFSA, just the way you would for other federal student aid. Then, you sign a **promissory note** that you will get from your lender or on the web, for FFEL Stafford Loans. The **promissory note** is a *binding legal document*; when you sign it, you are agreeing to repay your loan under certain terms. **Read the note carefully and save it.**

- Student will be enrolled in at least **HALF TIME** in order to be eligible for loans.

A **Subsidized** loan is awarded on the basis of financial need. You will not be charged any interest before you begin repayment or during authorized periods of deferment. The federal government “subsidize” the interest during these periods.

An **Unsubsidized** loan is not awarded on the basis of need. You will be charged interest from the time the loan is disbursed until it is paid in full. If you allow the interest to accrue (accumulate) while you are in school or during other periods of nonpayment, it will be **capitalized** – that is, the interest will be added to the principal amount of your loan, and additional interest will be based on that higher amount.

A **PLUS** loan is a loan that your parents can take out to pay for your education expenses if you are a dependent undergraduate student **enrolled at least half time**. PLUS Loans are unsubsidized.

### How do I apply for a loan?

**First-time Federal Stafford Loan borrowers at WBU are required to complete pre-loan entrance counseling.** You may go to <http://www.mappingyourfuture.org/> to fulfill this requirement. Confirmation will automatically be sent to the Financial Aid Office upon successful completion of your counseling session.

**Once you receive an award letter** from the financial aid office you will go to <https://lbw.tgslc.org/> to apply for the Stafford loan.

If you are a first time borrower at WBU, or if it has been more than two years since you applied for a loan at WBU, or if you are changing lenders: A Stafford Loan – Master Promissory Note (MPN) will be submitted.

**REFUNDS:** When a student changes enrollment status by **dropping courses, withdrawing, or making all F's**, the Financial Aid office may be required to perform a R2T4 calculation to Student Financial Aid Programs. A school will Return Title IV funds (R2T4) to the programs from which the student received aid up to the net amount disbursed. To ensure compliance with all applicable laws, the refund policy will be determined by the federal guidelines in effect at the time of the refund. These guidelines are available in the Financial Aid Office at the campus of attendance. This could result in probation or suspension next term of attendance.
