

Virtual Campus Classes

Where do I get my books?

- The Virtual Campus book list is available in the main Blackboard site (just before the login screen). <http://www.wbu.edu/b/b08/default.htm>
 - Choose the term you wish to order for under “schedules,” and find your class and section in the menu of subjects on the left side of the screen.
- All books or access codes you need for the class will be listed. Be sure to choose the correct section and instructor, as book requirements can vary between them.
 - Books can either be ordered directly from Virtual Campus (follow below instructions), or this information can be used to identify your correct books if you plan to buy them from an outside source (such as Amazon or Barnes&Noble.com).
 - If an access code is required, it MUST be ordered from Virtual Campus.
- Click on the “all others” button for each book you want to order.
 - Postage will be added to your order based on weight, with a \$6 per-item surcharge for shipping to Alaska.
 - You will be prompted for a credit card number through PayPal.
- Your books will arrive (via US Postal Service Priority Mail) at the address you provide in a week to 10 days.

Dropped Classes:

You are responsible for returning books for any dropped classes to the VC Bookstore in a timely manner. A full refund for the text price will usually be given, shipping charges cannot be refunded.

Questions or Concerns:
