# INTRODUCTION

The Equity in Athletics Disclosure Act (EADA) requires all co-educational institutions of postsecondary education who participate in a Title IV federal student financial assistance program, and institutions that have an intercollegiate athletic program, to prepare an annual report to the Department of Education on athletic participation, staffing, revenues, and expenses for men’s and women’s teams.

The Equity in Athletics Disclosure Act (EADA) is intended to provide information to prospective students and their families regarding the institution’s collegiate athletic department. The report for 2024-2025 was submitted per EADA guidelines.
