The Donna Sarchet Memorial Endowed Scholarship

Donna Sarchet came to Wayland Baptist University in 1983 as an Instructor of Business Administration. She later served as Assistant Professor and then Associate Professor of Business Administration. She earned her CPA license in 1991.

Donna received her MBA degree from Texas Tech and her BS from Hardin-Simmons where she was the highest-ranking senior in the spring of 1979 graduating class. WBU’s Association of Former Students awarded the Distinguished Service Award to Donna in 2004. Her 22 years of service to Wayland was a labor of love and professional commitment.

Donna’s highest standards of classroom teaching, her dedication to student achievement, her adherence to WBU’s mission and her commitment to Christian education will live on through the proceeds generated by this scholarship.

Donna’s family – husband Kerry, daughters Rebekah and Rachel, and mother Mary Lou Haygood – is grateful to Wayland’s faculty and staff, to her many friends and former students, and to family members for lovingly endowing the Donna Sarchet Memorial Scholarship.
