

The Peyton and Ola Barrington Endowed Scholarship

Peyton and Ola Barrington farmed in the Cotton Center, Texas community for several years. While in the Texas Panhandle, they became familiar with Wayland Baptist University and decided to provide a memorial gift to the university from their final estate. Peyton preceded Ola in death in 1962.

After his death, Mrs. Barrington relocated to Liberty, Texas, a small city near Houston. Mrs. Barrington passed away in 1995. The scholarship they established will assist students in the Division of Languages and Literature. Wayland Baptist University's leadership is very grateful to accept this \$25,000 gift and add it to their endowment.
