

# Memorial and Endowed Scholarships

Several memorial and endowed scholarships with a variety of eligibility requirements are available through Wayland Baptist University for students attending the Plainview campus. Information concerning the eligibility requirement is available in the Financial Aid Office. Completion of the Institutional Application that is available in the Financial Aid Office each year constitutes application. Awards are made on the basis of the students' eligibility, financial need, and the availability of funding according to earnings on endowed investments restricted by donors and designated gifts to Wayland Baptist University. To maintain eligibility, students must maintain a 2.0 GPA.

Academic, endowed, performance, and departmental scholarships are available to students who meet the eligibility criteria, show evidence of financial need, and apply early. Scholarships exist in most academic areas for students majoring in those areas. The chair of the School offering the major should be contacted to obtain an application. Awards are made on the basis of student eligibility, financial need, and the availability of funding. Scholarships and grants are funded by:

1. Earnings on endowed investments restricted by Donors.
2. Designated gifts to Wayland Baptist University
3. University budget allocation.
