

It's GOLF time!

If you love golf, our new **Legacy on the Links Virtual Golf Classic** scheduled as part of Homecoming@Home 2021 is a great way for you to do something you love and help a place you love: Wayland Baptist University. Here are all the details:

- **Register for homecoming** online at [the alumni page](#) and select the Legacy on the Links Classic as one of your activities. Your registration fee of \$20 will count as a tax-deductible donation to the Alumni Legacy Scholarship, which provides scholarship funds for children, grandchildren or siblings of WBU alumni attending any WBU campus.
- **Download the free 18Birdies app** through Google Play or the App Store and use tournament code 8049 to register. The app uses GPS technology to track which course you are on and takes into account any handicap and difficulty of the course. Employ the app and play a round of 18 holes of golf at any course from January 1 through Feb. 15, 2021. (You are responsible for any green fees or related cost of the golf game.) The app will keep track of your performance and the classic leaderboards.
- **Snap a photo** of yourself sporting your WBU blue and gold on the course. Send the photos to the alumni office at teresa.young@wbu.edu by Feb. 15 for a chance to win WBU swag.

The winner of the Legacy on the Links Virtual Golf Classic will receive a gift card to GolfUSA, good in any store location nationwide or online. Every player will be entered into a drawing for two packages of WBU golf prizes. We'll announce the winners on homecoming weekend, Feb. 19-20, 2021, via our WBU Alumni [Facebook page](#).

Thank you for teeing up to help Wayland students enjoy a quality education within a Christian worldview that prepares them for real-world careers! We appreciate you!
