Attendance Requirements

External Campuses

Students enrolled at one of the university's external campuses should make every effort to attend all class meetings. All absences must be explained to the instructor, who will then determine whether the omitted work may be made up. When a student reaches that number of absences considered by the instructor to be excessive, the instructor will so advise the student and file an unsatisfactory progress report with the external campus executive director/dean. Any student who misses 25 percent or more of the regularly scheduled class meetings may receive a grade of F in the course. Additional attendance policies for each course, as defined by the instructor in the course syllabus, are considered a part of the university's attendance policy. A student may petition the Academic Council for exceptions to the above stated policies by filing a written request for an appeal to the Vice President of Academic Affairs.

(WBU Hawaii Addendum) Students who miss the first-class meeting without providing a written explanation to the instructor will be automatically dropped from the roster as a "no-show." Students who know in advance that they will be absent from the first-class meeting and who wish to remain in the class must inform the instructor in order to discuss possible arrangements for making up absences.

University Policies

Student Grade Appeals: Students shall have protection through orderly procedures against prejudices or capricious academic evaluation. A student who believes that he or she has not been held to realistic academic standards, just evaluation procedures, or appropriate grading, may appeal the final grade given in the course by using the student grade appeal process described in the Academic Catalog. Appeals may not be made for advanced placement examinations or course bypass examinations. Appeals are limited to the final course grade, which may be upheld, raised, or lowered at any stage of the appeal process. Any recommendation to lower a course grade must be submitted through the Vice President of Academic Affairs to the Faculty Assembly Grade Appeals Committee for review and approval. The Faculty Assembly Grade Appeals Committee may instruct that the course grade be upheld, raised, or lowered to a more proper evaluation.

Course Requirements and Grading Criteria

The University has a standard grade scale:

A = 90-100, B = 80-89, C = 70-79, D = 60-69, F= below 60, W = Withdrawal, WP = withdrew passing, WF = withdrew failing, I = incomplete. An incomplete may be given within the last two weeks of a long term, within the last week of an 8-week session, or within the last two days of a microterm to a student who is passing, but has not completed a term paper, examination, or other required work for reasons beyond the student's control. A grade of "incomplete" is changed if the work required is completed prior to the last day of the next long 16-week term or 8-week session, unless the instructor designates an earlier date for completion. If the work is not completed by the appropriate date, the I is converted to an F.

Class Assignments

1. All students will be required to take a “mock” comprehensive exam on the second week of class. The exam will be given in a real testing situation in the testing room at WBU. This will provide students with information in which to determine the areas of needs and strengths and how to better study for their actual exam.
2. Clinical Case Review
 - a. Each student is responsible for presenting on one or more clients they are currently working with to be reviewed and discussed during class. The student should bring cases that are challenging in nature or present on individuals who would present as a good learning tool to other students. Students should utilize the classroom time as a means to discuss difficult cases, challenges and successes in their experiences as well as seek guidance and support from the instructor and peers in the classroom setting.
3. Clinical Case Presentation/Video
 - a. Each student is to choose one individual they would like to present on in class/video. Specifics regarding the requirements for the video will be provided by the instructor on the first day of class. Requirements vary from each of the three practicum/internship experiences.

 - c. Students must transcribe 15 minutes of the video they choose to show in class and provide a copy to each member of the class as well as the instructor.
 - d. All students are required to obtain the clients’ signature on WBU’s provided consent form located on “Blackboard” and submitted at the time of their presentation.

Other assignments as required by the instructor throughout the semester.
