Wayland disbursed funds equitably across all students who 1) apply for HEERF funds and 2) meet federal eligibility requirements. Based on the total amount of funds available for disbursement (\$1,254,863) and the maximum number of students who would be potentially eligible to receive funds should they apply (2,427), the initial grant amount for each Wayland student was \$520. The number of eligible applicants awarded resulted in funds remaining available. As a result, a second disbursement of \$1,200 was initiated in December 2020 to the students initially awarded. Students who apply for HEERF funds after this second disbursement and meet eligibility requirements will receive the total of the two disbursements (\$1,720) based on the remaining availability of HEERF funds.
