WELCOME

The Housing Office welcomes you to Wayland Baptist University (WBU). Our team is dedicated to serving the undergraduate student population as they choose campus housing, move into WBU's living communities, and finding a place they will call "home" during their time at WBU. We aim to ensure students have appropriate campus housing options, provide support within housing, and offer services which assist students in making the most of their residential experience at WBU.

Living in residence at Wayland Baptist University carries with it a distinctive set of privileges and responsibilities. Students who reside on campus live in a community with their peers and are entrusted with the responsibility to challenge and support each other in a respectful, cooperative, and communicative fashion. This environment provides Students with enriching experiences, which may help to promote healthy interpersonal relationships.

The application for admission is the student's affirmation that he/she will comply with all university policies and procedures. The Student is responsible for knowing and following all university procedures and regulations including those contained in this guide and the [Student Handbook](#).

The university will revise this guide as needed to provide students current information. WBU reserves the right to amend provisions to the Guide to Campus Housing at any time.

Housing Staff

Housing Staff consists of the Housing Coordinator, Residence Hall Supervisors (RHS), Housing Office Workers, and Resident Assistants (RA). The Housing Office is located on the second floor of the McClung

University Center building in room 203. Unless otherwise posted, Office hours are:

- 8:15 a.m. to 5:00 p.m., Monday through Thursday during the fall and spring semester
- 8:15 a.m. to 4:00 p.m., Friday during the fall and spring semester.
- 8:00 a.m. to 6:00 p.m. Monday through Thursday during the summer semesters.

Wayland Baptist University operates eight residence halls and five apartment complexes. Each Residence Hall is supervised by a Residence Hall Supervisor (RHS) that lives in the hall. A Unit Manager lives within each apartment complex. As an integral part of student development and support to the university, the RHS's responsibilities include but are not limited to:

- Overseeing the resident assistant program in the planning, administration, and evaluation of programs within the living areas,
- Facilitating the creation and implementation of a needs assessment survey and utilizing the results to plan and coordinate activities based upon developmental program models,
- Challenging students to initiate and develop healthy interpersonal relationships with their peers, and support/initiate within their living area, and
- Initiating efforts associated with academic support, spiritual formation, cultural diversity, emotional wellness, and life development.

The Resident Assistant (RA) position is designed to provide a living and learning experience for the student who desires to grow as a leader and develop community on campus. Resident Assistants serve as the main contact for residents and as a resource for residents and a source of information. RAs are selected because of their leadership experience and a desire to serve. Resident Assistants are trained to assist with establishing a community environment by presenting and promoting living area programs and activities, resolving conflicts, providing information, maintaining University Policy, and referring students to appropriate campus resources. Residents are encouraged to collaborate with their respective RA in developing a sense of community within specific living areas. The Resident Assistant serves as a representative of the university and is therefore expected to practice the utmost in Christian commitment, character, and integrity with residents, faculty, staff, administration, and the outside community.

STATEMENTS

Mutual Respect

Residents are expected to be respectful of the individual rights and freedoms of others within the living area. Even if a shared sense of understanding does not exist between community members, residents are still expected to exhibit an outward sensitivity to the diversity inherent within the residential community.

Fines

It is the practice of the University to hold individuals responsible for their actions. If a Housing staff member determines that vandalism or damage is due to misuse by residents, the residents of a respective room, wing, floor, or building may be required to share in the cost of repairs. Before group fines are applied, an opportunity will be provided for the individual(s) responsible for vandalism, damage or misuse to identify themselves and assume responsibility.

Annual Security and Fire Safety Reports

In compliance with federal reporting requirements contained in the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the Wayland Baptist University Police Department publishes statistical summaries of certain crimes occurring on or near campus, campus safety policies, and information about fires occurring on campus.

A copy of the Wayland Baptist University Annual Security and Fire Safety Report is available for your review. You can obtain a copy of this report online at <https://www.wbu.edu/university-police/campus-safety-reports.htm>.

The university also publishes an Alcohol and Other Dangerous Drugs Biennial Report. The purpose of this report is to comply with the Drug-Free Schools and Campuses Regulation (EDGAR Part 86). Institutions of Higher Education (IHE) receiving federal funds or financial assistance are required to maintain programs which prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees. To comply with this regulation, IHE, such as Wayland Baptist University, are required to complete biennial reviews of their Alcohol and Other Drug (AOD) program to determine effectiveness and consistency of enforcement of sanctions, along with the number of alcohol and drug violations. An institution's AOD program must include an annual notification to students, faculty, and staff on the availability of the AOD policy; the policy must address the standards of conduct, description of sanctions for violating federal, state and local laws or college policy, health risks associated with use and/or abuse, prevention programs offered, as well as information about various treatment options.

For a printed copy of either report, please contact the WBU Police Department at 806 291-3490, or visit in person at 801 Smythe, Plainview Texas, 79072.

Prohibited Activities and Items: Continued

Residential Decorating and Posting Policy

Because fire safety is a high priority at Wayland Baptist University. The following guidelines apply to all residential buildings.

General Decorations:

- Residents are allowed to hang a dry erase board or cork board no larger than 2'X2' in size next to the room door leading into a corridor.
- Pictures, or any paper hung on these boards, are not to exceed the edges of the board. No paper/pictures, etc. can be hung on the wall surrounding the door and must be kept on the board itself.
- Lights are not to be hung from windows, bed frames, around the ceilings of rooms, around doorways, or on balconies.
- Residence hall lobbies or common rooms may be decorated with permission from the Residence Hall Supervisor.
 - Decorations should be fire retardant rated or sprayed with a flame retardant product.
 - The primary fire escape path should be kept clear and unobstructed.
- Open flames, i.e. candles or other flame or heat producing devices, are strictly prohibited.
- Blocking Emergency Exits:
 - Emergency egress, including doors, corridors, stairways, etc., must never be blocked or the pathway restricted.
 - Decorations may not be placed on the floors in exit corridors, including alcoves located in exit corridors.
 - Bulletin boards cannot be located on or within 3 feet of fire exit doors or directly opposite one another in corridors.
 - Combustibles (i.e. fliers, notices, etc.) are limited to authorized locations only (i.e. bulletin boards and notice holders). Such items may not be posted in other locations (i.e. walls, doors, etc.).
- Holiday Decorations:
 - Live or cut trees are prohibited.
 - Strands of lights can be used to decorate personal Christmas trees, but must be FM or UL labeled electrical decorations. No more than three strands of lights should be strung together and the number of lights per strand should not exceed 100. Use either power strips or medium gauge, grounded extension cords.
 - Lights are not to be hung from windows, bed frames, around the ceilings of rooms, around doorways, or on balconies.
 - Christmas tree lights should be removed following the Christmas season and should not be in place any longer than a two-week time period. Follow the directions of your RHS.
 - Decorations on the exit corridor side of hall/apartment doors must be:
 - Made with fire retardant materials or treated with a flame retardant product.
 - Approved by the RHS.
 - Kept in place for no longer than 2 weeks.

Housing Policy Violations: Fines and Other Sanctions

The WBU Housing Coordinator issues Monetary Fines and the amount is based on the violation. Some violations will result in a referral to the Dean of Students for disciplinary action.

Procedure for Issuing a Fine

- The Housing Coordinator will deliver the fine to the student through the Maxient Conduct System by e-mail and text detailing the nature of the incident, the fine amount, and/or sanctions for the violation.

Paying a Fine

- Fines are due and payable when notice of the violation is given to the student.
- All fines will be paid directly to the Housing Office in UC 203 and a receipt will be issued by the staff member.

For fine amounts, see the Policy Violation Fine Table, pg. 34.

Overdue Fines

Fines are considered past due seven calendar days after they are issued and the amount owed will double if not paid at the end of the period. If a resident is experiencing difficulty in paying a fine, arrangements may be made with the Housing Coordinator for payment terms. All fines must be paid in full before the end of the semester.

Outstanding fine amounts remaining at the end of a semester will be handled as follows:

- Fine amount is \$10 or less
 - Hold is placed on the student's account and removed once the fine is paid in full.
- Fine amount is greater than \$10
 - The outstanding amount owed is deducted from the housing deposit.
 - A letter will be sent instructing the returning resident to bring the housing deposit back to the original amount of \$100 prior to check-in.
 - If the amount exceeds the deposit on file, the balance will be added to the account and a hold added until the fine amount is paid in full.

Excessive Fines

If fines accumulate and the amount owed exceeds \$50:

- The resident will meet with the Housing Coordinator first to resolve the issue.
- If the resident does not comply with the request to meet with the Housing Coordinator or does not comply with terms or other instructions provided by the Housing Coordinator regarding the matter, the Housing Coordinator will refer the resident to the Dean of Students.

Disputing a Fine

If a resident disagrees with a fine as issued, they must contact the Housing Coordinator within 24 hours from the fine issue date.

Group Billings/Fines

When no one is willing to accept responsibility for conduct that has affected residential property, a decision may be made to charge the cost of cleaning or repairs to several individuals. This may include everyone within the apartment complex or residence hall, the occupants of a particular floor or wing, or everyone living within the house, room, or apartment where the damage occurred. Before a specific group is billed, there will be an opportunity for the responsible person(s) to identify themselves and take responsibility for their actions.

Housing Policy Violations: Fines and Other Sanctions: Continued

Inspections for Health, Safety, and Policy Enforcement

Refer to [Student Handbook](#).

Removal of Students from Campus Housing

Conduct that results in disciplinary action or considered unacceptable may also result in the removal of the resident from campus housing without a refund of rent or deposit paid. Residents suspended from campus housing must remove all personal belongings within a specified period and must follow standard check-out procedures. In addition, all privileges in campus housing are forfeited for the duration of this suspension.

Some of the causes for removal of a resident from the campus housing system include, but are not limited to:

- Unable to settle accounts in the Business office,
- Student conduct which creates a risk of harm to other members of the university community,
- Dismissal from the University for any cause, and
- A display of conduct or behavior that is unacceptable in housing or in any other location.

Failure to vacate the assigned space upon receipt of notice from the Dean of Students will be documented and will be considered with other factors if the resident subsequently applies for readmission to campus housing.

Offensive Odors

An offensive odor is any odor or aroma of such intensity that it becomes apparent and is offensive to others. Any odor can become offensive when it is too strong. Some examples are: heavy use of perfume or air freshening spray, cooking odors, excessive body odor, large amounts of trash, or large amounts of dirty laundry. Staff members will address offensive odors when complaints are received. Residents identified as being responsible for the offensive odor will be asked to eliminate the cause of the odor.

Animals on Campus

A fish (1) is the only type of pet allowed and must be maintained in a bowl. Only one (1) bowl per room/apartment is allowed. Residents are expected to keep the bowl neat and clean.

Other than a fish (1) or approved service or support animals, no other type of animal is allowed on campus, including all mammals, birds, rodents, reptiles, or insects. Students must seek approval prior to bringing a service or support animal to campus.

If an unauthorized animal is found within campus housing, every attempt will be made to determine the identity of the owner and give notice to remove the animal immediately. If the identity of the owner cannot be determined or if there are repeated offenses by one individual, a university official can order the immediate removal of the animal. In some cases, the animal may be brought to the Housing Office until such time as it is claimed and removed by the owner or removed by Animal Control authorities. A fine may be assessed and/or disciplinary action may be taken. See Fine Table on p. 34 The Housing Office reserves the right to remove any pet or ESA at any time from campus housing without prior notice to the owner.

Housing Policy Violations: Fines and Other Sanctions: Continued

Trash

Dumpsters are provided outside traditional halls and at apartment complexes for the removal of trash. All residents should follow the following guidelines for disposal of trash. Failure to follow these guidelines will result in a fine issued by Housing Staff.

- 1 Each resident is responsible for disposal of his/her personal trash. Trash is not to be placed outside the room or apartment for pick-up.
- 2 Common areas such as residence hall lobbies, laundry rooms, and community baths will be cleaned by housekeeping staff. It is also the responsibility of each resident to help maintain these areas.
- 3 Residents should not place trash from their room/apartment in the trash receptacles found in common areas.
- 4 Fines can be issued to individuals, rooms, wings, floors, or entire dorms depending on the situation as determined by Housing Staff.

Advertising, Solicitation, and Posting

Solicitation is strictly prohibited. Residents should report all solicitors to their RHS. Campus organizations, or individuals desiring to post notices or place advertisements, must take those items to the Student Activities Office for approval.

Meetings

Residents are required to attend all mandatory community meetings. Meetings are primarily called to discuss, promote, and educate residents regarding events, community issues, and concerns. Residents who have schedule conflicts with a community meeting should inform the respective Residence Hall Supervisor a minimum of twenty-four (24) hours in advance of the meeting to request an exemption. All Mandatory Dorm Meeting dates and times are posted to the Academic Calendar on the WBU website.

Noise Policy

- Residents are required to remain courteous in noise levels 24-hours a day. It should be remembered that in a community living environment, the right to participate in or enjoy a particular activity ends when that activity infringes on the rights of others, particularly the right to sleep or study.
- A period known as "Quiet Hours" has been established in all living areas. The time period exists to ensure residents have the opportunity to exercise their primary rights to sleep/study. Each resident is responsible for knowing and respectfully observing these times.
- Noise audible beyond the confines of one's room/apartment, is prohibited. Students are free to have radios, stereos, televisions, etc. in their rooms, but the amplification should be controlled so that neighbors both inside and outside of the building are not disturbed.
- Speakers must not face or be placed in windows or doorways. Failure to keep sound equipment at a reasonable level may result in loss of the privilege to maintain such equipment on campus.
- The Resident Assistant or Residence Hall Supervisor reserves the right to confront and address what they deem to be excessive, disruptive behavior that is disrespectful to others in the immediate outside vicinity of the living area (e.g., courtyards, sidewalks, entryways). Individuals and groups may be asked to leave the area.
- Residents are expected to respectfully address issues that are related to the violation of "24 Hour Courtesy" on a personal level. If this fails, residents should consult a Housing staff member.
- Students who desire to play musical instruments that may disturb other residents should seek locations outside of the residential areas to practice or use practice rooms available throughout the campus.
-

Housing Policy Violations: Fines and Other Sanctions: Continued

Noise Policy: Continued

- Only non-amplified instruments, which do not disturb others, may be played in the residence halls or apartments.
- **Courtesy Hours:**
 - The right to study and sleep supersedes the privilege to entertain oneself or others. A “24-Hour Courtesy” Policy upholds the University’s commitment to providing an environment where Students may experience academic success.
- **Quiet Hours: (Daily 11:00 p.m. to 9:00 a.m.)**
 - Persons gathering in the lobbies must maintain reasonable volume and noise levels.
 - Persons gathering outside an apartment building or in the parking lot areas should keep noise at a level which does not disturb residents in the apartments.

During final exam periods, Residence facilities observe an extended period of Quiet Hours.

The following are sanctions that may be imposed when the noise policy is violated:

- First offense: verbal warning
- Second offense: fine for noise violation
- Third offense: loss of privileges or removal of item from living area (stereo, car alarm, etc.)

Room Care

Room checks accomplish three objectives: reduction of wear and tear on the facility, control of pests, and facilitation of good roommate relationships. Residents are expected to maintain the assigned space in a reasonable manner, excluding normal wear and tear. Room care guidelines are as follows:

Facilities Check:

- Conducted at least once a month by RA staff with 24 hour notice.
- There is no set list of cleaning expectations. If extreme conditions are found in the space that can affect the facility, introduce pests, or place an undue burden on roommates, resident(s) will be asked to take corrective steps as instructed by the RHS.
- Staff will look for damages, safety issues, and maintenance needs. RA will inspect inside closets, refrigerators, microwaves, and kitchen and bathroom cabinets as well as other areas within the space.
- The reporting of damage and maintenance needs is the responsibility of the resident. If damage results from failure to report a problem, the resident can be charged for the damage

Room Check:

- Conducted at least once a month by RA staff with 24 hour notice.
- Basic cleaning expectations are listed below in the section titled “**Room Check Guidelines**”.
- The RHS may conduct an inspection without prior notice to ensure that room care standards are being upheld.
- Food Items are allowed in rooms and apartments but must be stored appropriately. Food should not be stored on window sills. Raw meat is not allowed in the refrigerator units in residence hall rooms.
- The display of personal items must be kept within the confines of the room.
- Decorating is permitted and should follow specific guidelines. Mounting large objects to the wall like a television, shelving, or other item is prohibited. Damage caused to walls, ceilings, and floors will result in a damage charge.

Room Check Guidelines

The following are the basics that must be addressed to comply with room check.

Bathroom:

- Toilet is clean inside and out.
- Shower/tub is clean.
- Sink is clean.
- Walls wiped clean and vanity is wiped off.

Floors:

- Cleared of clothing and trash.
- Carpet vacuumed.
- Tile floors swept and mopped.

Trash:

- Trash receptacle is not overflowing.
- Bags of trash are not sitting in room/hallway/or on porch or balcony areas.
- No trash is lying on the floor or on top of the furniture.

Room Care: Continued

Food:

- Food properly disposed of & contained.

Appliances:

- Refrigerator is wiped out.
- Microwave clean.
- Stove clean- if present

Kitchen/Common Area:

- Countertops are wiped off.
- Dishes are washed.

Violations and Fines:

- Facility and Room checks are on a pass/fail system of grading.
 - Photos of the room/suite are submitted at the conclusion of any facility/room check regardless of grade.
 - Students will receive a second attempt after first failed inspection.
 - A second failed inspection may result in a fine. See Fine Table on p. 34
- If there was no attempt in initial inspection, or room is in very poor condition:
 - The RHS may issue a “No Attempt” fine which will be an automatic \$25.00 fine.
 - Resident has 24 hours to clean the room for re-inspection by the RHS.
 - If the room is still not clean, the Housing Coordinator will issue an additional fine.

Yard/Outdoor Areas

Residents in apartments are expected to maintain the stairwells, front porches/balconies, and yards using the following guidelines:

- Trash is kept picked up and disposed of properly.
- Beautification items that are appropriate such as hanging baskets, potted plants, and wind chimes are permitted
- Outdoor furniture stacked on the front or back porch should not obstruct doorways or egress.
- Personal property should not be left unattended or at any time block the apartment complex sidewalks. Ample room should be left to walk and to enter/exit the apartment. Property left unattended may be considered abandoned.

Window Screens

For security purposes and to avoid damage to the screen, window screens should remain in place at all times. If a screen is found removed, the resident of the room will be asked to replace the screen. Failure to comply will result in a fine. If screens are used improperly and are damaged, a damage charge will be assessed to one or more residents of the space. If a screen in a room is missing, the resident should report this on the maintenance log or to a staff member.

Temperature Control

Thermostats are set to temperature ranges that should allow for comfortable conditions in all seasons.

Thermostat settings should not be outside this range (68-74) and any damage to a thermostat will result in a fine starting at \$100.00 up to the actual cost of repair/replacement to the residents of that space. Doors and windows should remain closed any time the heating or cooling system is in use.

Babysitting

Residents are not permitted to perform babysitting services in residential buildings. Guests under the age of 17 years old are prohibited without special permission by the RHS.

Visitors and Guests:

Definitions:

A VISITOR is a person who is of the opposite sex to the residents assigned to that campus living space (room or apartment).

A GUEST is a person who is of the same sex as the residents assigned to that living space (room or apartment).

University employees who are in residential spaces for the purpose of fulfilling job responsibilities are not considered visitors or guests.

COHABITATION is defined as occupation of a campus housing space outside visitation or lobby hours by a student or non-student, unless expressly assigned to that housing by the Dean of Students or his designee.

General Rules Applicable to Both Visitors and Guests:

1. Visitors and guests are only allowed in campus housing:
 - A. with the expressed consent of the resident(s), and
 - B. in accordance with all university policies and rules.
2. Residents are responsible for the behavior and conduct of any visitors or guests. Residents are to inform visitors and guests of policies and student code of conduct as outlined in this guide and the [Student Handbook](#).
3. Residents will be held responsible and will be subject to disciplinary action for any violation of policy by visitors or guests.
4. Visitors and guests are expected to comply with WBU's alcohol and drug policy which also prohibits being on the campus while intoxicated or impaired by alcohol or drugs. Residents will be held responsible for anyone bringing alcohol or drugs into their room or apartment or for a visitor who reasonably appears to be intoxicated or impaired by alcohol or drugs.
5. Sexual misconduct is defined in the [Student Handbook](#). All students, including students who reside in campus housing, and their visitors and guests must comply with this policy.
6. Cohabitation is not allowed in campus housing facilities. Residents may not allow or invite someone not assigned to campus housing to occupy their assigned space. A resident who allows an unassigned person to occupy his/her space can be subject to disciplinary action which may also include removal of housing privileges.
7. A roommate should not be asked to vacate the room because of visitors or guests. Visitation and guest situations should be discussed between roommates so everyone has a clear understanding of preferences, expectations, and need for privacy.
8. Dorm staff will monitor for policy compliance (including but not limited to policies regarding visitors and guests) and may need to enter a room, apartment, or house. If a dorm staff member needs entry, he/she will knock and announce themselves. Residents must open the door and allow the staff member to enter. If the resident does not respond, the dorm staff may initiate entry. Failure to respond to the request of a staff member to enter will constitute a violation of university policy. Residents and visitors are expected to be courteous to the dorm staff as they perform their duties.
9. The university reserves the right to immediately remove any visitor or guest from campus premises and/or to require that the visitor or guest shorten their visit, whether or not the typical length of visitation or overnight stays has been reached.

Visitors and Guests: Continued

Guest-Specific Policy

Residents of the halls and apartments are allowed to have guests on a daily basis unless otherwise specified by the Housing Office, Dean of Students, or Wayland Baptist University.

The rights of the roommate should be a high priority with regard to guests, whether short term or overnight. The roommate should not be compelled to leave in order to accommodate a guest, nor should he/she be placed in a situation that may cause embarrassment or inconvenience. Conversely, the university requests that roommates be reasonable and fair in accommodating the appropriate presence of guests and making any concerns about guests known immediately to the dorm staff.

Guidelines:

- All overnight guests **MUST BE REGISTERED** when staying at any time, including summer housing terms.
 - An overnight guest may not stay more than two consecutive nights and cannot stay more than two nights in any week. Guests may not stay more than 6 nights total per semester.
 - Overnight guests are not allowed to stay before the first day of class, finals week, or after the last class day of each semester. Overnight is defined as anytime between 12:00am and 7:00am.
- Guests under the age of 17 years old are not allowed to stay with residents unless special permission is gained from the Housing Coordinator.

Visitation

Visitation Dates and Hours:

- Residence Halls: Tuesday, Thursday, Friday and Saturday from 6 p.m. to 9 p.m. and Sunday from 1-4 p.m. Unauthorized visitation in a residence hall will result in disciplinary action. Any questions concerning visitation regulations should be directed to the Residence Hall Supervisor.

Visitation Policy:

- Each living area has visitation privileges for its residents that enable Students to interact with one another for academic or social purposes.
- Visitation privilege permits guests of the opposite sex in one's room or apartment during specified times.
- Visitation and guest privileges may be revoked at any time to any and all parts of a living area.
- Residence Hall Supervisors reserve the right to terminate an open-night visitation in apartments or residence halls due to excessive, disruptive behavior, disrespect for others, or any other circumstance deemed a hindrance.
- Main lounges in residence halls and community rooms are open to give students a common area in which to interact

Listed below are the parameters for visitation in each of the living areas:

- **Residence Halls:**
 - During each semester (as defined in the [Student Handbook](#)), visitation dates and hours for living areas are listed on p. 10 of the [Student Handbook](#).
 - Visitors of the opposite sex are permitted in living areas only during visitation hours.
 - Rooms must be well lit; a minimum of one (1) permanent light fixture must be on while visitors are present.
 - Members of the opposite sex may not use bathrooms in the dorm room or suite. Public bathrooms are located in the lobby or in an adjacent building.

Visitors and Guests: Continued

- Students entering and exiting bathrooms and public areas (i.e. hallways, lounges) in the hallway should be dressed appropriately.
- Visitors will be allowed to sit on the bed with consent of the resident. Laying on the bed is prohibited.
- Students are expected to conduct themselves in an appropriate manner in the halls.
- **Student Family Housing (Apartments)**
 - Throughout each semester (as defined in the [Student Handbook](#)), students who reside in apartments may entertain visitors of the opposite sex, providing all occupants of the respective living apartment agree that visitation is permissible.
 - Visitation hours of individual apartments may be modified by the respective residents, providing the hours do not exceed the times indicated above. It is the responsibility of residents to abide by and monitor modified hours.
 - Visitors of the opposite sex must remain in the living room/kitchen area at all times.
 - When visitors of the opposite sex are present, the view into the apartment must remain unobstructed.
 - Window blinds and coverings should remain open allowing a clear view into the apartment. Areas in which visitation is taking place must be well lit.

Visitation Procedures for Traditional Undergraduate Living Areas

- A desk sign-in and sign-out procedure is required for visitors and resident host.
 - The resident host and visitors must sign-in and out and visitor must leave an ID with the RA on duty.
 - When the visitor leaves, the resident host must escort him/her back to the registration desk to sign-out and collect the ID.
 - If the resident host leaves during visitation hours, the visitor must either transfer to a new resident host or leave the room.
 - Anytime a change in resident host occurs, the new resident host must sign-in. This includes a change to the roommate as resident host or if the visitor wants to move to another room in the building. The sign-out procedure must be followed with the first resident host and sign-in must occur with the new resident host. Visitors found in an area other than the resident host's room will be escorted from the building and face disciplinary action as per the Code of Conduct.
- Visitors must be escorted in and out of the building at all times by the resident host.

Visitation Policy Violations for Halls and Apartments

In cases of minor visitation violations (as defined by the Dean of Students), a behavioral warning may be issued by the RHS or other actions may be taken based on the violation. Continual violation of the visitation policy will result in further judicial action.

Code of Conduct information can be found in the [Student Handbook](#).

Housing Information

Housing Selection Process

The Housing Selection Process is conducted each semester so that residents currently living on campus may select a desired space for the following semester. The selection process is conducted for fall and spring assignments only. Summer reservations must be made separately through the housing office. Information is also distributed to residents prior to the process by staff.

Consolidation

The Housing Office will make vacated, or open spaces, available for use and residents may be consolidated. The university reserves the right to assign double and triple occupancy (whenever practical) in all residential areas.

Off Campus Students

The only people allowed to participate in the Housing Selection Process are residents who are currently living on campus. Off campus students must submit a housing application, pay a housing deposit, and will be assigned along with other new applicants at the end of each semester.

New Transfer Students

- The transfer student who is younger than 23 and has fewer than 90 hours, is still required to live on campus and will be placed in a traditional residence hall.
- Exceptions may be made by the Housing Office in cases of housing overflow.

Assignment E-Mail

Following the selection process, each returning resident will receive an assignment e-mail to the student email on file. The default email is the student's official Wayland account. If information is incorrect, the resident must contact the Housing Office to make corrections. Each resident will also be required to sign an occupancy license which will be part of the on-line process. The Housing Office may still need to make changes to floor plans in special situations, but the resident involved in any change or consolidation will be notified.

Occupancy License- Dorms

All new applicants and returning residents must sign a nine-month occupancy license for any campus housing space. Students entering campus housing for the spring semester will sign a license for that semester only. The occupancy license is a part of the housing application and selection process.

Room Changes:

Resident Initiated Changes

After housing reservations open in the fall and spring, residents may agree to exchange room assignments or "swap" spaces, provided the change is properly coordinated through the RHS and/or through the Housing Office. Residents must be fully eligible for the space they are swapping into and changes that result in a difference in room cost will be billed at the new rate for the space.

The following are guidelines for a change:

Guide to Campus Housing (Rev. June 2022)

Room Changes: Continued

Moving Within a Living Area

- If a resident is moving within his/her own hall or complex, he/she must receive permission to make the move from the RHS. No resident is authorized to move until approval from the RHS has been received. The Housing Office reserves the right to deny change requests.
- Resident initiated changes to exchange or “swap” space with other residents within the same hall or apartment building requires the consent of all the parties involved. The individuals wishing to relocate must work out the details of the move with anyone who would be affected. It is not up to the RHS or RA to make arrangements for these kinds of moves, however, the swap or change of space must be approved by the Housing Office. The residents who are seeking a swap must notify the Housing Office.

Housing Office Initiated Changes

- The Housing Office reserves the right to make administrative room changes if a change is deemed necessary due to existing circumstances. The Housing Office will also fill vacancies as they occur by assigning space. Residents may be able to opt for a “buy-out” of vacant space in their room or unit (see “Buy-Out Policy”, pg. 23). If a resident has not chosen this option or if it is not available, then he/she is required to accept a new roommate as assigned by the Housing Office. Refusing to accept a roommate, attempting to dissuade/discourage roommates from moving in, or impeding the ability of the Housing Office to affect an assignment into a vacant space, is a violation of policy that can lead to termination of housing without release from the financial obligation of the occupancy license.
- Residents must insure that the space and furnishings allocated to a new resident are in a condition ready for occupancy prior to the arrival of the new resident. If the university has to clear the space for a new occupant, the current resident may be assessed cleaning and moving charges and the university will not be responsible for damage or loss.

Room Charges

Charges may differ from one type of space to another. Room and board charges cover a period of one semester.

Traditional Residence Halls

A resident may not occupy his/her assigned space until the official opening date for campus housing. The period of occupancy includes traditional school holidays, during which the school dining hall is open. Long holidays, such as Thanksgiving, Christmas, and spring break, are excluded from the occupancy contract. The dining hall is closed during such periods. The university reserves the right to use residence hall facilities during periods of non-student occupancy for conferences or conventions.

Apartments- Student Family Housing

- Rental rates are based upon occupancy during the January 1 through June 30 or July 1 through December 31 dates. A student may not occupy the assigned apartment until the move in date noted on the assigned occupancy license. The period of occupancy includes ordinary school holidays, including the Christmas break, spring break and summer.
- The rental period ends on December 31 for fall or June 30 for spring. The Housing Office requires a written 30 Day Notice prior to vacating the unit to be eligible for a deposit refund.

Room Changes: Continued

Buy-Out Policy- Dorms

If a space exists within a residence hall room and the Housing Office does not anticipate assigning a new roommate, the resident occupying the room may choose one of the following options:

- Continue to live in the room without paying any additional fee. The Housing Office can use the unoccupied space for assignment at any time without prior notice.
- Move into another vacant space authorized by the Housing Office.
- Pay a “buy-out” rate for the vacant space in the room. This private room option is not available when housing demand is high.
- The current buy-out rate is an additional \$269 per semester. Buy-outs would be done on a semester- by- semester basis and the option would only be available if there is sufficient space.

Cancellations, Withdrawals, and Refunds

All cancellations must be made in writing directly to the Housing Office. Refund of rent will follow guidelines listed in Wayland Policy and Procedure Manual 3.2.4. Students who have submitted a housing application or participated in the housing selection process and have signed an occupancy license, will be held financially liable for the payment of rents owed as outlined in the occupancy license. Students enrolled and living off campus must meet criteria for living off campus or have permission to do so (see Residence Living Exceptions in the [Student Handbook](#), pg. 29).

Room Deposit Refunds for New Applicants

If a prospective student chooses not to enroll, the \$100.00 room deposit can be fully refunded upon request. Refunds will only be granted if notice is received prior to the first day of classes. If a resident moves out during the semester and defaults on the housing contract, the deposit is forfeited. See WBU Policy & Procedure Manual for Refunds 3.2.4.

Room Deposit Refunds for Returning Residents

Returning residents must apply for their deposit prior to August 1, for the fall term, and December 1, for the spring term, in order to receive a refund. **After these dates, the entire \$100.00 deposit will be forfeited.** Residents who do not return for a subsequent semester may either leave the deposit on account or request a refund by completing the refund form at check-out. The form is available on the student’s eRezLife account.

Deadlines can be waived for room deposit refunds under the following conditions:

- The applicant is denied admission to the university.
- The applicant becomes physically incapacitated and is thereby prevented from enrolling.
- The applicant receives a call to be inducted into the U.S. Armed Forces.

Meal Plan Refunds

Meal Plan refunds are determined by the Business Office using the WBU Policy & Procedure Manual for Refunds 3.2.4.

Blocked Rooms

Certain rooms within residence halls or apartments may be blocked for a specific use by the Housing Office. An example are the spaces assigned to RAs. Any resident who is the roommate of an RA must understand that they are living in a blocked space. If the individual serving as an RA no longer holds that position, the resident who is his/her roommate will be expected to vacate that space for the new RA and his/her preferred roommate.

Check-In and Check-Out

An official move-in date for each semester is designated on the school calendar. The staff will be available on that day to assist residents with check-in procedures. If a resident is not able to move in on this date, he/she should report immediately to the RHS upon arrival for assistance.

Room Inventory

At check-in, each resident will be asked to review and sign, within 72 hours, the inventory form for the assigned space. This process will serve to verify inventories of items in the space and to list any damaged or missing furnishings found during inspection by the resident. It should be noted that when a resident is assigned a space, he/she is “issued” the furniture and fixtures for his/her use and must assume responsibility for the care of the space and the contents. Prior to check-in, the RHS or RA will look for previous damage or loss of property. Documentation on the inventory form will insure that the responsible person is charged. The same procedure will be followed during check-out at which time, if damage or loss of property is noted, the cost of the item(s) in need of replacement/repair will be assessed. The determination of cost may be based on the Damage Costs Table (pg. 37), or the RHS may obtain a cost estimate for items or damages. This figure will be furnished to the Housing Office and the resident will be billed for repairs or replacement of lost items.

Check-Out Procedures

Anyone who fails to follow the proper procedures for check-out will have a financial obligation. Costs for improper check-in or check-out starts at \$100 and will increase depending on the circumstances and condition of the unit. The applicable amounts can be found in the Fine and Cost Table (pg. 36). The RHS will review the circumstances and, working with the Housing Office, assess any costs and fines. Those amounts will be deducted from the initial housing deposit or paid outright to the RHS or Business Office. If the cost exceeds the amount available through the housing deposit, a hold will be placed on the resident’s record. Anyone with a hold cannot receive a transcript or register for classes at WBU until the hold is cleared.

Improper check-out will be defined by the Housing Coordinator, but can include but is not limited to one or more of the following:

- Failure to schedule an appointment with staff to check-out.
- Failure to leave by the designated check-out time without an extension from the RHS or Housing Office.
- Failure to clean the space as directed by the staff and dispose of all trash.
- Failure to remove all possessions (this includes bicycles). Staff is not obligated to throw away trash or discarded items left by the resident and any item of value left behind will be considered abandoned property (See Abandoned Property Policy, pg. 25).
- Failure to turn in issued keys.

Fall Check-Out

Residents returning for the next semester who are making a change in housing should refer to the following:

Making Moves from one location to another:

- Contact the current resident still occupying the space and arrange a time for moving possessions.
- Make the move during the week of finals or designated check-in/out times.
- Box or pack belongings and place them in the apartment or room in such a way as to allow the current resident to continue living within the space and to have access to their own belongings and furniture.
- New residents cannot take up occupancy until check-in day.

PLEASE NOTE: Residents who are coming into a space must remember that the current occupants are allowed to remain until the final day and time of check-out. The belongings of the new occupant cannot create an obstacle for the current resident during the check-out process. Anyone who does not comply with this can be given a fine or improper check-out. All residents must make every effort to cooperate with one another in making these moves.

Abandoned Property Policy

At the end of each living period (fall and spring semesters and summer sessions) residents must clear their room of all personal property by the posted closing date as part of the check-out procedure. The Housing Office or Dean of Students may also specify other dates for removal of property as necessary for maintenance, construction, etc. Property which is left behind in any campus housing facility following the posted closing date will be considered abandoned by the resident and will be handled according to the following guidelines:

- It is the resident's responsibility to contact the RHS and make arrangements to identify and claim any abandoned property. The university may, at its option, attempt to contact the resident who occupied the room in which the property was abandoned.
- The RHS will box any property which, in the RHS's sole opinion, appears to have value and create a specific inventory list. This information will be sent to the Housing Office. Any other property will be disposed of at the discretion of the Housing Office.
- Property which is boxed and inventoried will be stored and available to be claimed by the owner for at least 30 days. If stored property is claimed, the owner may be required to pay a reasonable storage fee.
- Property not claimed within this time will be disposed of at the discretion of the Housing Office.
- Fines for improper check-out may be assigned to cover materials and labor. See Fine Table on p. 34.

Appliances and Furniture

Residential spaces are equipped with a standard set of furniture. Furniture, fixtures, and appliances are listed on room inventories and are expected to remain in the room or apartment. A full-size refrigerator is standard in every apartment. Residents should not bring an additional refrigerator or a freezer unit into the space without permission from the Housing Office. Permission to bring in additional units is typically not allowed and would be based on factors such as medical necessity. If permission is given because of a medical need, the resident would be required to request an accommodation through the Disability Services Office. Approved personal appliances are subject to inspection by Housing staff in accordance with room check guidelines.

Any personal appliance that has a heating element must have an automatic shut off. Personal appliances that are approved will include the following: blenders, coffee makers, tea kettles, bread makers, rice cookers, crock pots, & toasters.

Microwave ovens and refrigerators should be kept clean and free of food spills in order to help inhibit the presence of pests. Microwaves and refrigerators are checked as part of room check.

NOTE: Any appliance brought into the room should not exceed a voltage requirement of 1200 watts of electricity.

See the prohibited items section in this Guide on pp. 9-10 for more information about restrictions on appliances and furniture.

Safety/Emergencies

WBU Police Department

The Wayland Baptist University Police Department provides all law enforcement, traffic enforcement, and security services for the university. Additional information regarding services provided by the department is available in the [Student Handbook](#) or [University Police](#).

All victims of a crime or individuals, who have information regarding an emergency (criminal activity, fire, medical emergency) should immediately contact the WBU Police Department by dialing 911 for an emergency and (806)291-3490 for non-emergencies. For emergencies and/or concerns after 5:00 pm central time call, **806-774-4225**.

Evacuations

If an evacuation order is issued for a residential building, residents in that building are asked to fully cooperate with emergency personnel and residence hall staff. Recommendations during an evacuation are as follows:

- Take keys, purses, wallets, coats, medications, and other essential personal items only if it is safe to do so.
 - Do not use elevators.
 - Close, but do not lock doors.
 - Turn off all electronics if it is safe to do so.
 - Evacuate in groups to ensure that all individuals are able to exit safely.
 - Provide assistance for those with physical disabilities.
 - Do not leave the evacuation assembly point without first notifying a member of the residence hall staff.
 - If you are unable to evacuate or need assistance dial 911 or signal emergency responders
- Additional information pertaining to assembly areas is available on line at [Severe Weather Shelter-Evacuation Areas](#).

Campus Police are the only officials authorized to issue the order to return to a building.

Severe Weather

During severe weather alerts (watches and warnings), residents are encouraged to monitor changing weather conditions and are expected to take reasonable precautions. Windows should be closed during severe weather and each resident should have a flashlight available in case of power failure.

Tornado Watch

- A tornado watch is issued when conditions are favorable for tornados.
- In the event of a tornado watch, normal activities can continue, but changing weather conditions should be monitored and preparations made to move to shelter with little or no advance warning.
- Maintain a higher degree of situational awareness.

Tornado Warning

- A tornado warning is issued when a tornado has been sighted nearby.
- When a tornado warning is issued, the university will activate the outdoor siren system.
- Move to the center of the lowest floor of the building. Avoid exterior walls, hallways, windows and doors. Listen to any instructions given. If outside, seek shelter immediately. If no shelter is available and the threat of danger is imminent, getting in the closest ditch, lying flat, and covering the head is the best option.

Shelter in Place

Upon activation of the outdoor siren system or upon receiving instructions to do so, individuals should immediately move indoors to a secure location. Once inside, all doors and windows should be closed and locked. It is the responsibility of each member of the WBU community to identify potential shelter points on campus.

Fire Policies and Evacuation Procedures

Reporting a Fire

If signs of a fire are observed, such as smoke, flame, or smell, immediately dial 911.

If you observe signs of a past fire and you are not sure it has been reported, contact the University Police Department by dialing 806-291-3490.

Fire Alarm Evacuation Procedures

When an alarm is activated, the warning should be heeded immediately and evacuation of the building begun. Use the nearest stairwell and/or exit to leave the building. Students should become familiar with the exits in each building.

Evacuation of the building should take place quickly and calmly. Stairs should be used. When a fire alarm is activated, the elevators in most buildings will be recalled to the first floor and stop automatically. If caught in the elevator, push the emergency phone button.

Fire Safety Tips:

- Feel a door for heat before opening. If it is hot, find an alternate route.
- If smoke is encountered, “stay low and go”. The most dangerous smoke and hot air will be overhead.
- Once outside the building, move to the designated assembly area for the building. Follow the procedures taught during the first planned fire drill. Keep access roads clear for emergency vehicles.
- Do not return to the building until it has been declared safe by officials.

Response to Fire Alarms on Campus

The WBU Police Department and the City of Plainview Fire Department investigate and document all alarm activations.

Fire Policies and Evacuation Procedures Continued

Fire Protection Equipment Systems

Each residence hall and most academic facilities are equipped with a fire alarm system capable of being activated by one or more of the following means:

- Heat detector
- Smoke detector
- Sprinkler system
- Standpipe system

Upon activation of the fire alarm system, an audio/visual warning device will alert the building occupants of a potential hazard. Some of the university's apartments and houses are equipped with single-station automatic smoke detectors. These devices sound an alarm when smoke is detected.

Evacuation Drills

Each residence hall will conduct announced and unannounced evacuation drills during the semester. Participation is required if you are in the building. Prior to drills, residents will receive information concerning exit routes and other procedures. This training is provided by residence hall staff.

Evacuation drills are used to provide information to residents pertaining to evacuation issues specific to each building. During an evacuation drill, building occupants will practice drill procedures and familiarize themselves with the location of exits. This process also provides the university an opportunity to test the operation of the fire alarm system's components.

Emergency evacuation maps are posted on each residence hall floor to direct residents to exits. Evacuation drills in residential facilities are coordinated by Housing staff and the WBU Police Department.

Evacuation drill guidelines

- Do not open any door before feeling it to see if the surface of the door is hot. If it is hot to the touch, seek an alternate exit route.
- Remember to walk and not run.
- If not in the room, exit the building immediately. Do not return to the room to gather any belongings.
- After exiting, proceed to the designated assembly point. At this location Housing staff will seek to account for all occupants.
- If on an upper floor and all exits are blocked by fire, go to a window and attract attention. Jumping from a window should be avoided.

Inspections for Fire Safety

The primary goal of WBU's Fire Safety Program is to identify hazardous conditions and take appropriate action to reduce the chance for fire to occur. This goal is accomplished by conducting periodic safety inspections of all university buildings and increasing the fire safety awareness of employees and students.

The university conducts an annual inspection of residence halls. Inspections are conducted to help identify prohibited items and identify safety violations. An inspection includes, but is not limited to: visual examination of electrical cords, sprinkler heads, smoke detectors, fire extinguishers, and other life safety systems.

Fire Policies and Evacuation Procedures Continued

Members of the Housing staff conduct checks every two weeks and will look for sources of open flames, candles, non-surge protected extension cords, halogen lamps, and portable cooking appliances. Staff members will also look for signs of smoking in the room, tampering with life safety equipment, and possession of pets. If a prohibited item is found, it will be removed or instructions will be given for removal (see the sections in this guide: Prohibited Items, Prohibited Activities, and Room Checks). Students are required to comply with fire safety directives from university employees, which may include compliance with all applicable standards of the International Fire Code (IFC) and the local Authority Having Jurisdiction (AHJ). Individuals who are aware of fire safety or potential code violations should report the violation to their Residence Hall Supervisor.

Fire Prevention

Residents play an important role in our fire prevention efforts and are asked to work with the university to ensure all buildings are free of potential fire hazards. Please make sure all fire equipment, fire doors, and fire exits remain unobstructed

To minimize the potential for fires to occur, it is the policy of the university to limit cooking in residence hall rooms. Accordingly, most cooking devices/equipment, are prohibited in residence hall rooms. Appliances such as toaster ovens, griddles, grills, electric skillet, deep fryers and other open coil appliances are prohibited.

All decorations used on campus must be fire-resistant or non-combustible. Decorative lights and extension cords must be UL rated and not used so as to present a fire hazard or trip-hazard. Live trees or greens are also prohibited decoration.

Instructions for Individuals with Disabilities.

Before an Emergency:

- Meet with Disability Services Office for accommodations.
- Meet with the RHS and Campus Police to talk about needs and discuss any special emergency response accommodations.
- Find one or two other residents who would be able and willing to help during an evacuation.
- Develop two escape plans. One assuming that help is available and one assuming it is not.

During an Emergency

- Call on residents identified to help.
- Call Campus Police (806) 291-3490.

Door Security and Closing Hours for Residence Halls

Door Locking

In residence halls, all exterior doors are locked 24 hours a day except during posted lobby hours.

Wayland uses camera systems to record public areas in the dorms. Residents who bring in a guest are required to remove any head covering and their guest(s) are required to do the same.

Card Access

Authorized residents, in buildings using card access, are given access to their residence hall through use of the ID card. If an ID card is lost or stolen, the resident must go to the Dean of Students' Office to obtain a replacement. Possession of more than one ID card or an ID card of another individual violates Student Conduct Policy.

A resident may allow residents, or guests (same sex only in residence halls) to enter the building with them until closing at 12:00 a.m. After 12:00 a.m., everyone entering the building in which they reside must use their own access card for entry. No resident may scan their card and hold the door open for additional people to enter the building after this time.

Records created through the use of access cards, cameras, and other security devices may be retained by the university and used for security purposes, investigations and other legitimate educational interests.

Keys

Residents assigned to buildings where keys are used will be issued a key at check-in. Mailbox keys are also issued if applicable. Residents are responsible for the key and for replacement costs. If a key is lost, stolen, or if a resident fails to return a key at check-out, the lock will be changed and a charge for the lock and key change will be assessed to the resident.

Alarms and Closed Circuit Cameras

Alarms and other security devices, such as cameras, are for the safety of the resident student. No action should be taken by any individual to circumvent or disable these systems. Every effort will be made to identify individuals who take such action and they will be referred to the Dean of Students for disciplinary action.

Propping and Locking of Doors, Windows, and Screens

At no time should the outside doors of a residence hall be propped open. This practice will put the entire residence hall population at risk for danger and can result in disciplinary action for the responsible student. Apartment doors should be locked at all times, especially when the apartment is left unattended. Failure to lock doors puts the property of roommates at risk.

The windows of any Residence Hall are not to be opened at any time other than in case of fire emergency when the window is used to exit the building.

Open screens, especially on the first floor of any hall, house, or apartment, represents a risk to the occupant of the space. Open screens are prohibited and a fine can be assessed. Except in an emergency situation, a resident should not use a window as means of gaining entry/exit into a space.

It is always a preferred safety practice for residents to lock the door to their assigned space, even if the intention is to be gone for a short period of time.

Electrical Safety Guidelines

- Use UL electrical power strips with built-in circuit breakers if additional electrical outlets are needed.
- Use a medium or heavy gauge grounded extension cords only. Small gauge, inexpensive cords are prohibited.
- Do not overload power strips or outlets.
- Do not use multiple plug adapters as these are prohibited.
- Use a power strip with an over-current protector which will shut off power automatically if there is too much current being drawn.
- Be wary of electrical outlets that get too hot to touch. If it feels warm, unplug all appliances and notify staff to enter a maintenance request immediately.
- Do not connect multiple power strips together.
- Do not route cords under doors, carpet, or ceiling tiles; this could cause them to overheat or ignite.
- Do not staple cords, this could damage the insulation and expose wire.
- Look for the UL (Underwriters Laboratories) label on electrical products that you use. This UL mark tells you that it meets UL rigorous safety requirements.
- Use light bulbs with correct wattage for lamps. If the wattage is not noted on the lamp, do not use a bulb with more than 60 watts.
- Do not use Halogen lights/lamps on campus as these are prohibited.
- Never plug more than one high-wattage appliance into a single outlet.
- Check all appliances for frayed or cracked cords and make sure to replace them.
- Report any power outage in your room, house, or apartment immediately to the RHS or RA.

Services

[Duty Hours for Staff](#)

Staff members are on duty in the residence halls on a regular basis. In all living areas, RAs are on duty 7 days a week. Monday- Thursday: 2pm until 11pm, Friday and Saturday: 2pm until 12am, and Sunday is 1pm to 5pm and 8pm to 11pm.

[Maintenance](#)

Residents who need assistance with a maintenance issue in their room or apartment can either convey this request to the RHS or Housing Office staff. Work orders are sent by RHS or Housing Office staff to BINC staff for their review and action.

If there is a problem constituting an emergency such as broken pipes, water leaks, etc., and the RHS or RA cannot be reached, the resident should contact the Housing Office (806-291-3755) directly. After hours, contact the Campus Police (806-774-4225). If there is a smell of gas, residents should follow these instructions:

- Leave the area immediately
- Call Campus Police at 806-291-3490 or 806-774-4225
- Leave doors open
- Do not turn on anything electric
- Do not use a cell phone

Employees, agents, and contractors authorized by the university may enter residential spaces without prior notice for custodial or maintenance work, to handle emergencies, to check for health or fire hazards, or to ensure compliance with university rules and regulations. Residents are expected to cooperate so that repairs or inspections can be completed as quickly as possible.

[Pest Control](#)

All residential buildings are on a regular schedule of pest control maintenance. If a resident experiences any problems with pests between treatments, this information must be turned in to staff. Staff members will instruct residents on how to turn in this information during mandatory meetings. Residents are encouraged to assist in the control of pests by keeping food in closed containers and disposing of trash properly.

[Internet](#)

All WBU students are issued an e-mail account through the Information Technology Department. These accounts are the primary method of communication to students by many university offices including Housing. Each student is responsible for checking and responding to university e-mail messages on a regular basis. The Housing Office will use this e-mail account to correspond with resident students regarding housing issues. See the [Student Handbook](#) for the WBU Internet Usage Policy.

[Telephone Service](#)

Telephone service is not provided. Land lines are located in Residence Hall lobbies.

[Cable Service](#)

Cable service is not provided in any residential facility operated by the university.

[Laundry](#)

Laundry service on campus is available to all resident students. Students are urged to read instructions carefully to prevent malfunction through operator error. In case of malfunction, report to the RHS or to the RA. The use of the laundry facilities within each hall and apartment complex is restricted to use by the residents of that location only. Because of the location of some the laundry facilities, some halls have posted policies concerning hours of operation.

Campus Mail

Residence Halls

Each resident will be issued a campus post office box. Residents may go by the Post Office to get their box number and key. Mail is picked up and delivered on campus daily. The WBU Post Office is located in the McClung University Center. The Post Office is closed on Saturdays and Sundays and most holidays.

Mail should be addressed to residents in the following way:

Student Name
1900 W. 7th. St.
CMB # _____
Plainview, TX 79072

Notice: all mail sent through the WBU Post Office is subject to all laws and regulations which apply to the United States Postal System.

Apartments

Residents of Allison-Conkwright, Collier, Goodpasture, Llano, and Marquis Apartments receive mail delivered by the Plainview Post Office. Residents in the apartment complexes are given a key for their mailbox located in the complex. Address and box information is given when the rental agreement is completed.

Vending Machines

Vending machines are located within the residence halls. Removal, or attempted removal, of the contents of any vending machine by improper or illegal methods constitutes theft and will be treated accordingly. Vending machines are not to be used as change machines. Monies deposited are to be used for purchase of food/drink. Contact the University Bookstore for any questions. 806 291-3615
