Setting up a room in a residence hall is an exciting element of being a new student! Your room will function as many things: a study place, a place to eat, to sleep, and a place to hang out with friends. With so many functions, it's a great idea to start planning for items you will need in your room. We've compiled a list of items that will help make your room your personal place on campus! The list includes essential items as well as items that might make life in a residence hall even more enjoyable.
