Flexible Score Import into Grade Center
# Flexible Score Importing to the Bb Grade Center

## 1. Select Columns

Review the list below and unselect the columns you do not want to upload in the Grade Center. If the Pearson gradebook export file contains columns that already exist in the Grade Center then the existing columns will be updated, else choose between creating a new column in the Grade Center column or map the export file column to an existing Pearson column in the Grade Center.

<table>
<thead>
<tr>
